

## The Europa Primary Library at Europa School

Our Primary Library is a fantastic multilingual resource and unique learning space **entirely run by volunteers!** Teachers use it on a regular basis with their students. Parents use it with their children via multi-lingual volunteer after-school sessions!

**To keep the library going, to enhance its use and reinforce our kids' learning, we need you, whether on a regular basis\* or for this one inspiring moment.**

Here is how you can contribute:

- **Help keep the library clean and tidy**

Last year volunteers started a cleaning operation, with fantastic results. We are planning to do this every three months as a group.

- Return borrowed books to shelves
- Straighten books on shelves and/or clean covers and shelves
- Review donations and declutter collections.

- **Run an after-school session for children and their parents**

One or more parents can open the library to children and their parents after school. Volunteers can use the library every day from 15:30hrs. When weather is bad, we share the space with the After-School Club. During after-school sessions, children can browse, read and borrow books. If the library is not too busy, volunteers also offer story times in any language.

- **Select books for subjects teachers cover in class**

This is a new project that volunteers started last year to help teachers make the most of the library's books.

- **Help creating signage**

The library is in great need of an effective signage system so that it is quick and easy to get to the books we are looking for.

- **Help promoting the library further**

- **and anything you may think of. We are all ears!**
